

CENTER WINS GRANT TO INCREASE HOUSING OPPORTUNITIES

The Tennessee Department of Mental Health & Substance Abuse Services (TDMHSAS) selected Helen Ross McNabb Center as the recipient of two grants to hire Regional Housing Facilitators.

The grants, awarded to the Center in the East Tennessee and Chattanooga regions, are new state funding under the Department's new Creating Home Initiative (CHI) 2 program. The Center was one of five agencies chosen to provide this service across the state.

Through this funding, the Center will be able to help increase housing opportunities for people recovering from substance use disorder.

“We are so excited, grateful, and humbled to bring this proven model of creating new housing options for vulnerable populations to the area of substance abuse recovery,” said TDMHSAS Commissioner Marie Williams. “Safe and affordable housing is an essential component on a person’s journey to recovery, and this investment by Gov. Bill Lee and

the Tennessee General Assembly will change the trajectory of countless lives for decades to come.”

The CHI 2 program builds off of the Department's earlier, highly successful Creating Homes Initiative, which has created more than 22,000 housing opportunities and leveraged more than \$692 million in state, federal, local, grant, foundational and other sources for people living with mental illness. The original initiative began in 2000 under the leadership of now-Commissioner Williams.

“We are honored to be chosen by the Department of Mental Health to help people who are recovering from substance abuse,” said Jerry Vagnier, Helen Ross McNabb Center president and CEO. “We continue to be committed to helping individuals in our community gain housing, and this funding will allow us to do that by connecting individuals with additional community resources and housing opportunities.”

By identifying successes and needs, Helen Ross McNabb Center will be able to make any necessary changes and continue improving the lives of the people we serve.

CENTER RECEIVES TWO TAMHO AWARDS

The Tennessee Association of Mental Health Organizations (TAMHO) recognized Helen Ross McNabb Center with two media awards at its annual conference and awards luncheon in December. Jessica Hill, director of community relations, Mary Blythe, marketing specialist, and Bob Joy, Helen Ross McNabb Foundation board member accepted the two media awards on behalf of the Center. The Center was honored in the Best Use of Social Media and Best Newsletter categories.

ANDERSON COUNTY RIBBON CUTTING

Helen Ross McNabb Center celebrated the opening of its newest facility in Anderson County, which allows the Center to serve more individuals and open a new centralized scheduling (call center) department. The event included a short program featuring Lt. Gov. Randy McNally, Anderson County Mayor Terry Frank and Oak Ridge City Administrator Mark Watson.

KNOXVILLE CHALLENGER

Congratulations to Michael Mmoh, winner of the 2019 Knoxville Challenger! The Challenger event, a USTA pro-circuit event, has now raised more than \$1.3 million to benefit Helen Ross McNabb Center services.

Thank you to the sponsors, volunteers, players and officials for their support. Because of these partners, the 2019 Knoxville Challenger raised more than \$180,000 to serve children and adults in need.
